

Drive into the future with Norbin®

Norbin® is an automotive refinish coatings label recently developed by BASF, a global leader in the chemical industry. Technology excellence, genuine quality and competitive pricing are part of our brand promise.

Norbin is a new addition to the BASF's Coatings Division's portfolio in Asia Pacific.

OUR BRAND NAME

Norbin's brand name underpins a commitment to uphold the high product quality and standards.

High Product Quality

Norbin delivers products of a consistently high quality while continually enhancing its customers' experience through innovation. This is attributed to BASF's application of stringent production discipline, to achieve the highest level of quality control possible, every step of the way.
